

CITY IS THRILLED BY PULPIT PLEAS TO WIN THE WAR

Appeals made by ministers from many Washington pulpits on "victory and peace" Sunday, are still ringing in the ears of thousands of Washington churchgoers today.

From a score of pulpits words of encouragement went forth bidding the people of the United States bend all their energies to the preservation of their birthright of freedom. There can be no rest for Christianity while the inhumanity of the Germans holds sway, was the warning of the churches.

"Because of the brutality of the Hun, who has overshadowed Nero in his cruelty, we must pray for victory in this war," was the answer of the Rev. John Compton Ball, of the Metropolitan Baptist Church, to the question of his sermon, "Why Pray for Victory?"

No War for Conquest.
"The United States fights for the cause of humanity and not for conquest," declared the pastor, "and hence it is eminently fitting that the people should pray for victory over the enemies of the country and democracy."

A united America must withstand the spirit of opposition to the war, was the opinion of the Rev. Randolph H. McKim, of the Church of the Epiphany, who took as his text, "Suffer no man to remain in camp, but let all come to the battle." The patriotism of our country is challenged by the disloyalty of so many so-called pacifists, he said.

"Some there are who are sincere in their principle, but the vast majority cloak under the principle of conscientious objection, object cowardice and pro-German leanings. The prayers of the loyal must rise for the difficulties at home as well as the battles in the trenches."

Raspoutine's Death Approved.
"Had not the hand of Providence swept Raspoutine, the evil genius of Russia, from the face of the earth Germany would have triumphed in the East." In his gripping sermon on "The Life of Raspoutine," at the First Congregational Church, the Rev. James L. Gordon thus vindicated the hand that slew the Mad Monk of Russia.

Had not the spread of his insidious influence been stopped by the progress of the world towards humanity and the higher ideals of Christianity would have been retarded for centuries, the preacher said.

MILITANTS TO FEAST; THEN PICKET AGAIN

Cameron House Announces Program—Dinner to Ex-Prisoners.

Picketing of the White House will be resumed by the National Woman's Party before Congress comes back to Washington in December.

This was the announcement from Cameron House today, whether with plans for the dinner to be given to the ten suffragette pickets whose sixty-day sentence will expire at the District Jail this week. Plans are being made for the dinner to be held next Sunday night. Mrs. Toppan Bennett, of Connecticut will preside and speakers will include Miss Lucy Burns, head of the party of suffragettes to be released; Miss Lucy Branham, and Miss Mary Winslow, now prisoners in the District Jail.

Not until Miss Lucy Burns is released will plans for a resumption of "White House picketing" be definitely formed. She is the leader of the militant suffragettes in the absence of Miss Alice Paul, who is serving a seven months' sentence for picketing.

JEW PLAN AID FOR STRICKEN COUNTRIES

NEW YORK, Oct. 29.—According to a resolution adopted here by the National Jewish Assembly, a committee of ten representative Jews of the nation will within a few days visit President Wilson and present plans whereby aid may be rendered to the starving people of Poland and Lithuania. The committee includes the most prominent Jews in the country.

At the assembly, cables were read describing the horrible ravages of disease and hunger in stricken Poland and Lithuania. Old men, women, and children, both Jewish and non-Jewish, are dying in the streets, it was reported. The relief plans will be for all sects. It is hoped that the plan will be similar to that in force for the relief of Belgium. The various Jewish organizations here plan to raise millions for the support of the movement.

PRESIDENT AGAIN ASKS AID FOR ARMENIANS

President Wilson has made a second appeal to the American people for contributions to aid starving Armenians and Syrians.

"Reports indicate," the President says, "that of orphans alone there are more than 400,000, besides women and other dependent children, reaching a total of more than 2,000,000 destitute survivors. The situation is so distressing as to make a special appeal to the sympathies of all."

Contributions may be made through the American Red Cross or the Armenian and Syrian Relief, with headquarters at 1 Madison Avenue, New York City.

JAPS IN SOUTH SEAS.

TOKYO, Oct. 29.—Japanese traders are reaching out to all the resources of the south Pacific islands. The Mitsubishi corporation recently acquired a lease of 1,000 acres of a rubber plantation in north Borneo, and Mr. Ku has secured a similar lease of 1,000 acres. The latter is also seeking an additional 25,000 acres in the same locality.

Celebrates His 81st Birthday

SIMON WOLF.
Early advocate of preparedness worked hard in Liberty loan campaign.

SIMON WOLF IS 81; HEBREW LEADER CELEBRATES EVENT

Simon Wolf, well-known lawyer of this city, who stands with the foremost among American Hebrews, celebrated his eighty-first birthday at his home, 2013 Columbia road, yesterday.

Despite his age, Mr. Wolf has been an active worker for the Liberty loan during the last two weeks, making speeches every day.

Mr. Wolf was born October 28, 1836, in Urichville, Ohio, and came to Washington in 1862. He has held important public offices, among which were consul general to Egypt, Recorder of the District, president of the board of children's guardians, and school trustee. He was founder of the Hebrew Orphan's Home, and has been president of it for the last twenty-two years. He is president of the board of Ruppert Home, and chairman of the board of the German Orphan Asylum. He has also served as president of the national and international organizations of the B'nai B'rith.

U. S. MEN SEEK RELEASE FROM CANADIAN ARMY

AMERICAN FIELD HEADQUARTERS, France, Oct. 29.—Just a little matter of precedent seems to be all that is keeping scores of patriotic young Americans of tried bravery, from offering their lives to their country. They are fighting here in France, the survivors of five battalions of Americans who joined the Canadian army to gain time in killing Germans.

Those who are living and still taking their turn in the trenches have seen hundreds of their friends blown up by shells, choked by gas or mown down by machine guns. Although the new American army could use these Americans, particularly the specialized officers, the transfer appears to be blocked by the technical fact that they alienated themselves when they joined the Canadians. To join the American army they must become Americans and to become Americans they must journey home and obtain their papers. Very few can afford to do that.

SEND-OFF TOMORROW FOR BANKHEAD TOURISTS

Preparations are under way today by the official pathfinding committee to start tomorrow morning on an inspection of the Eastern route of the Bankhead national highway, from Washington to Atlanta. The party will meet at the east steps of the Capitol building before taking the road to Fredericksburg, Richmond, and the South.

From Richmond the party will proceed to Greensboro, Charlotte, Greenville, and Atlanta. Stops will be made at all the principal cities and towns along the route. J. A. Roundtree, secretary of the Bankhead National Highway Association, will be at the head of the party.

Senators Swanson, Martin, and Overman will accompany the party a part of the way.

Before the departure from the Capitol tomorrow, speeches will be made by Senator Bankhead, for whom the highway is named; Senators Swanson, Smith, of Georgia, Overman, Martin, of Virginia, and Congressman Webb.
